PROPERTY OVERVIEW

This modern 7,200 SF industrial building, built in 2015 on 1.7 acres (two combined PIDs), features a 6,000 SF clear-span ground floor warehouse with 16' ceilings and a 1,200 SF second-floor mezzanine. Equipped with one 14' x 12' electric overhead door, 600V/200A 3-phase power, in-floor geothermal (3 zones) plus two water-to-air HVAC units, and full municipal water/sewer, the property offers efficient, low-maintenance operations. The layout includes two private offices, reception, lunchroom, three washrooms, and secure IT infrastructure (cameras, data wiring), all within BP Business Park zoning.

LOCATION OVERVIEW

Located in the Elmsdale Business Park within the Municipality of East Hants, 293 Park Road benefits from a thriving commercial hub featuring light industrial and retail ventures, including equipment suppliers. This BP-zoned area supports diverse operations from manufacturing and construction to emerging tech and logistics hubs, with ongoing expansions enhancing its appeal for business growth. Strategically positioned along Highway 102, the property offers seamless access to Halifax Regional Municipality (HRM) key areas: approximately 29-minute drive to downtown Halifax, 12 minutes to Bedford's commercial district, 22 minutes to Dartmouth's ferry and port facilities, and 18 minutes to Sackville's retail corridors. Additionally, Halifax Stanfield International Airport is just 7 minutes away, making it ideal for distribution and export-focused enterprises.

LOCATION & HIGHLIGHTS

293 PARK ROAD

Located at 293 Park Road in the Elmsdale Business Park, this property sits within the fast-growing Municipality of East Hants—one of Nova Scotia's most dynamic commercial corridors just outside Halifax Regional Municipality (HRM). Elmsdale is a strategic hub where Highway 102 meets the East Hants business community, blending rural accessibility with urban-scale infrastructure. The park itself is a well-planned, BP-zoned industrial and commercial enclave known for its modern facilities, ample lot sizes, and direct highway exposure, making it a preferred destination for light manufacturing, distribution, professional services, and logistics operations.

The surrounding area is rich with established and expanding businesses, including heavy equipment leader Shawmut Equipment, construction and material handling firm Gomac Group, architectural and design specialists Division 8, and niche service providers like Tank Doctor Aquatic Systems. This mix fosters collaboration, supply chain efficiency, and a skilled local workforce. Ongoing development in the park—including new warehouse builds, tech startups, and service expansions—signals strong confidence in the area's long-term growth potential.

Strategically positioned along Highway 102, the property delivers unmatched regional connectivity. It is approximately 29 minutes from downtown Halifax, placing it within easy reach of the province's economic core. Bedford's major retail and business district is just 12 minutes north, while Dartmouth's port, ferry terminals, and industrial zones are 22 minutes away. Sackville's growing commercial corridors are a quick 18-minute drive, and Halifax Stanfield International Airport—the Atlantic Canada gateway for air cargo and passenger travel—is only 7 minutes via direct highway access. This proximity to major transport nodes makes the location exceptionally well-suited for distribution, export-oriented businesses, and companies requiring rapid access to both regional and international markets.
