EXECUTIVE SUMMARY

915 EAST RIVER ROAD

OFFERING SUMMARY

PROPERTY TYPE:	Commercial
PID #:	00857821
BUILDING SIZE:	3,580 SF
YEAR BUILT:	1881
LOT SIZE:	49,216 SF (1.13 Acres)
ZONING:	C3 (Highway Commercial) Zone
LIST PRICE:	\$1,049,000

PROPERTY OVERVIEW

This commercial property offers prime redevelopment potential. Featuring a 3,580 SF wood frame historic building, built in 1881, features a 1,333 SF unfinished cellar, 1,784 SF main floor (excluding 187 SF attached garage), and 1,796 SF second floor (including 187 SF above garage), with two full washrooms and dual staircases. Building systems include municipal water and sewer, a 100 Amp 120/240 Volt single-phase electrical system, and oil-fired heating via a Granby boiler with cast iron radiators. The building has strong aesthetic and historical qualities, so expansion or addition to the building is a strong possibility for conversion to commercial use with the existing structure currently used as residential.

PROPERTY HISTORY

The property was originally a 90-acre farm known as Prospect Farm. It was the childhood home of the late Hon. W.D. Ross, former Lieutenant Governor of Ontario (1927 to 1932) and Christine Ross Barker who was the first female chartered accountant (1899). Their brother, Walker Ross, farmed the land prior to giving a portion to the Aberdeen Hospital Foundation to build the new Aberdeen Hospital.
